

**NEW**

Introducing CRL Brooklyn

A matte black frame system for sliding doors

New for 2020, CRL Brooklyn is an innovative, style-led sliding door frame system designed for both residential and commercial use.

Allowing practical room partitioning, while still retaining a sense of space, Brooklyn is set to be one of the most popular systems available.

CRL Brooklyn

A matte black frame system for sliding doors

Elegance in the home

Create the ideal interior door system, combining the minimalistic style of a matte black frame with a door design that makes the very best use of natural light within a home.

Commercial style

Perfect for use in restaurants and office environments, the Brooklyn system is an ideal partitioning solution in locations where an inviting sense of light is key.

Developed with classic lines, the system complements a wide range of interior styles.

- For dropped ceiling and ceiling fixed applications when fixed and sliding panels are required to be framed
- Vertical adjustment +/- 3 mm
- Enhanced double "Soft-Close" system
- Frameless systems also available in Brushed Nickel and Satin Anodised finishes
